Part B for July 96

SUBJECT.

Acquisition of lands for the improvement of Sayaji Rao Road at Mysore

---

Indexed.

W D 82—GPB—50,000—24-7-16

13

In re delay in the acquisition of the House and a yard (used for an Oil mill) attached to it belonging to one Jawaramma and situated on the Sayajee Rows Road near the Dufferin Fountain Crossing, Mysore City:-

---

1 About may 1891, when Mr. Mackliojohn was Deputy Commissioner for the Mysore District and President Municipal Board, the owner of the above premises attempted an encroachment on the line of Sewage pipes running close by. On this being pointed out to the Deputy Commissioner he passed orders in the Municipal Department for setting back the encroachment. These orders were however not carried out.

2 In June 1891 the Dewan inspected the locality, and ordered that the property in question and a number of houses in the

a vicinity should be acquired.. (vide Dewan's order no: 31 dated 25-6-91). These orders were communicated to the Vice President -

3 The owner did not accept the offer made at the rates of compensation paid for properties in the neighbourhood, and, consequently, the acquisition had to be made under the Land Acquisition Act. A notice for the purpose was accordingly published by the Vice President in the Gazette in August 1893. (Vide Rhodesia Gazette dated 3rd August 1893 Part I, page 334).

4 In November 1893 the Sanitary Engineer finding that the acquisition had not yet been made, drew attention of the Vice President to the matter and enquired what action had been taken with regard to the same, to which no reply was received.

5 In March 1895 an application,

No. 682/114

OFFICE OF THE SANITARY ENGINEER WITH THE GOVERNMENT OF MYSORE,

Bangalore
MYSORE, DATED 3rd March 1896

From

THE SANITARY ENGINEER WITH THE
GOVERNMENT OF MYSORE.

To

The Chief Engineer
& Dy Sons.

SIR, I have the honor to bring to your notice that about the time the Viceroy was expected in Dy Sons the Dewan in his inspections noticed a very old encroachment in Sayaji Rows Road, opposite the northern end of the Cawdoora Bazaars, which was years ago ordered to be removed still standing, and he instructed me to submit for orders a precis of the proceedings in the matter which I now beg to enclose.—

I have the honor to be,
Sir,
Your most obedient servant,

Sanitary Engineer with the Govt. of Mysore.

Mysore City Municipal
President's office dated the
18th July 1896.

To.

The Secretary to the
Government of Mysore.
Revenue and General departments

Sir,

With reference to Government
order no 13551 / L.F. 147-95 dated the 16th June 196
forwarding a copy of the Sanitary
Engineer's memo and requesting me
to report why the encroachment
therein referred to on Sivaji Rao road
in Mysore by one Javaramah was
not removed &c I beg to submit
that I do not exactly understand
what the Sanitary Engineer wants
done. I enclose a sketch of the
locality which I believe he refers to.
A.B. is the Sivaji Rao road. C D is
the closed sewage. If the Sanitary
Engineer means that the owner of
the

the properly marked E F Gs, who is (9)
improving his house, is building
on the closed sewage C D, I beg to
state that he is not doing so, but is
leaving it intact, leaving the space
marked H.K.F. vacant and enclosing
his premises by raising a wall over
K H. as permitted by the Dewan in
person in november 1895. It would
appear that some time ago an
attempt was made by my predecessor
mr. A. Rangaswamy Iyengar to
acquire the said properly E F Gs, but
~~that~~ the amount asked for it being
prohibitive, even 5000/- Rs having
been refused, the matter was dropped.

I do not see any need to buy it. If
however it should be bought necessary action
will be taken under the land acquisition
regulation.

I have the honor to be

Sir,

your most obedient Servant.

President.

Inst

received by the Vice President from the owner of the property praying for a license to roof in the walls, which are encroachments, was referred to by the Sanitary Engineer, which was returned by him to the Vice President drawing his attention to the previous correspondence on the subject.
